

2. The undersigned is patent counsel for the inventors in Switzerland and with respect to certain related International applications.

3. The last known address for the nonsigning inventor, Roman Mathiuet, is Kiesweid 17, 8340 Hadlikon, Switzerland.

4. The following efforts have been undertaken in an effort to locate Roman Mathiuet:

- The Declaration had been sent to KABA Schliesssysteme AG, Wetzikon, Switzerland on November 29, 2001 to be signed by the inventors. A copy of that letter is enclosed. At that time KABA Schliesssysteme AG was known to us as the employer of Roman Mathiuet. The declaration was returned, unsigned by the inventor Roman Mathiuet.
- A telephonic contact on December 13 2001 with Ms. Lotto from KABA Schliesssysteme AG revealed that Roman Mathiuet is not working for KABA any more. Roman Mathiuet is on a trip around the world with unknown destination, unknown whereabouts and no contact address. A copy of our notes from to this telephone conversation is enclosed.
- On April 24, 2002 a registered letter including the Declaration was sent to the last known address of Roman Mathiuet. This letter came back unanswered. The original of this letter including the envelope is also enclosed.
- June 20, 2002: Another telephone call to KABA Schliesssysteme for any new information on the present location of Roman Mathiuet. They could give us no new information.

- Several telephone books of Switzerland were considered, especially the official electronic telephone book of Switzerland. There is no entry under the name of Roman Mathiuet. Two copies of telephone book extracts showing this result are enclosed.
- All telephone book entries for the name Mathiuet in Switzerland were used to contact persons named Mathiuet to find any relatives of Roman Mathiuet. His brother and father could be located. However, his brother, Daniel Mathiuet, could presently not be contacted due to absence. His father, Karl Mathiuet, said he knows where Roman Mathiuet is, that he has a telephone number and that he can contact him. However, he was not cooperative. He did not give us any information related to his son's location nor did he forward any information from our side to his son, so that Roman Mathiuet could have contacted us.
- We sent a fax to the registration office of the local administration of Hinwil, Switzerland, where Roman Mathiuet was last registered. In certain cases they have new contact addresses. There is no answer so far. A copy of this fax is also enclosed.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false

statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
